A TROLL LEARNING CENTER

READING FUN: Vowel Sounds is an ideal way to help youngsters master the long and short sounds made by the vowels A, E, I, O, and U in various positions in words.

Children identify high-resolution pictures of objects that contain the long or short sounds of the vowels, and then they fill the pictures with color! The program includes a wide variety of easily recognized illustrations and matching words, for hour after hour of animated reading and learning fun!

THIS LEARNING CENTER CONTAINS:

- a MICRO-SOFTWARE program disk
- a User's Guide
